

## **Radabaugh Road Farm Ground**

### **Questions and Answers**

**Question:** Will we be able to inspect the site?

**Answer:** Yes, inspections will be available on Monday, March 19, from 9 a.m. to noon.

**Question:** When will the fee be due?

**Answer:** The fee is due prior to issuance of the MCD Farm Permit. MCD is willing to accept half of the payment before issuance and the other half prior to January 1, 2019.

**Question:** Who will be responsible for clean-up and removal of drift?

**Answer:** The person who receives the Farm permit will be responsible for clean-up and removal of drift.

**Question:** Can trees be cut to enlarge the path to fields?

**Answer:** Trees with a base diameter less than 4 inches can be removed to clear a path; however, trees with a base greater than 4 inches must have prior written MCD approval and that approval will be determined on a case-by-case basis.

**Question:** Can the drift on site be burned?

**Answer:** The drift cannot be burned on MCD property but can be removed from the site.
